

AMTRAK® SYSTEM TIMETABLE

Updated September 9, 2016

Your new INTERACTIVE tool . . .

Making 500 destinations a far better ride.

WELCOME ABOARD!

Although the mercury usually indicates otherwise, I know fall is just around the corner when Amtrak announces special stops at some of the nation's most popular state fairs. In the weeks leading up to Labor Day, select Empire Service trains deliver customers to the New York State Fairgrounds in Syracuse, while the Carolinian calls on the North Carolina State Fair in Raleigh in October. You can't help but smile when you hear excited young kids on the train describe the rides, games and tasty treats that await.

Enhancements to our schedules this summer highlight why Amtrak is simply a smarter way to travel. Residents and visitors to California's San Joaquin Valley and Bay Area gained more travel options in June when a seventh daily roundtrip was added to the San Joaquins service. This expansion was made possible through our strong partnership with the state and the San Joaquin Joint Powers Authority. In the Northeast, the high-speed Acela Express now makes additional stops in New Jersey at Metropark-Iselin and Trenton, providing customers with greater flexibility when planning their day.

Fall's arrival also means the start of classes. Amtrak is an easy and affordable way for college students to travel to and from campus, whether for a weekend adventure or to visit family. A new discount for students ages 13-25 gives them 15 percent off the lowest available Value or Flexible Fares. All they need to do is book travel at least three days in advance, exclusively on Amtrak.com, and present valid student identification on board the train.

You may have noticed that we are no longer printing a paper version of the Amtrak System Timetable. Due to changes in how customers seek information about our services – generally through Amtrak.com and our mobile apps – we decided to focus solely on a digital timetable. This is an environmentally friendly approach, and it also allows us to make quick updates so you always have the most accurate information at your fingertips. The system timetable is fully downloadable in PDF format if you'd prefer to print out all or part of the document.

As you go about planning your trip, remember that you can also call us at 1-800-USA-RAIL any time of the day if you'd rather speak with a customer service representative. Thanks for choosing Amtrak, and we look forward to seeing you on board!

Safe travels,

DJ Stadtler

ABOUT THE COVER

On the cover: This striking image of the westbound *California Zephyr* approaching its next station stop, Granby, Colorado was captured by Steve Ostrowski, trainmaster for the Amtrak *Exhibit Train*, while on duty in Colorado. Situated in the heart of the Arapaho National Recreation Area, Granby is surrounded by the majestic high peaks of the Rocky Mountains and lies just to the southwest of Rocky Mountain National Park. The Amtrak *California Zephyr* operates daily in each direction between Chicago, Illinois and the San Francisco Bay Area, over one of the most scenic train routes in North America.

Travel on Amtrak is subject to Amtrak policies, conditions of carriage and limitations of liabilities (collectively "Policies"). Amtrak Policies, fares, schedules and rates are subject to change without notice. Amtrak permits First Amendment activity on property owned or controlled by Amtrak to the extent that those activities are not incompatible with the Amtrak mission to operate a national rail system safely, and to do so with optimum service to the public, as well as with the best economy of operation possible. Because of safety reasons, First Amendment activities are not permitted on board Amtrak trains, nor on Amtrak platforms. For detailed Amtrak policies and procedures, go to Amtrak.com (Terms of Transportation) or call 1-800-USA-RAIL.

Thruway Service

Amtrak offers convenient Thruway connecting motorcoach service to many cities in the Midwest where Amtrak trains do not go. Thruway Service has frequent daily departure times from Chicago and St. Louis to key cities in the five-state region of Illinois, Indiana, Michigan, Missouri and Wisconsin. And if you're headed north from Chicago, there's Thruway bus service from Milwaukee to Wausau on one route, Kalamazoo to Sault Ste. Marie, and Upper Michigan Peninsula destinations on another route. Or you can go as far south as Nashville from Chicago. With hundreds of destinations from which to choose, getting there on Amtrak and Thruway connecting services makes your travel experience easier. Selected Midwest Corridor trains are financed and operated in partnership with the States of Illinois, Indiana and the communities being served, Michigan, Missouri and Wisconsin.

TRAVELING ON AMTRAK

PLACING YOUR RESERVATION

To take advantage of the best fares, and to reserve the accommodations you prefer, it is best to book early. Amtrak will quote and price your travel at the lowest fare available at the time your reservation is made. Provide your Amtrak Guest Rewards® number at the time you make your reservation to earn points for future travel. If you change your reservation, it will be repriced at the best fare available at the time you make the change.

Reservations are subject to cancellation if not paid by the date assigned when reservations are made. A reservation may also be cancelled if you have not yet picked up your tickets or if you board at a station other than the one from which you booked your departure.

If you pay the conductor on the train, you will pay the highest published fare, even if a lower fare is in your reservation. Avoid this by paying with your credit card over the phone at 1-800-USA-RAIL, at Amtrak.com, or at a Quik-Trak kiosk. You may also pay with a credit card or by other means at an Amtrak ticket office or at a travel agency.

Get off the phone faster! Call Amtrak at 1-800-USA-RAIL and speak with "Julie"

No need to press buttons or wait for an agent. Just speak to Julie, the Amtrak automated agent. Using state-of-the-art voice recognition technology, the system hears what you say. Julie is standing by to take your call 24 hours a day, 7 days a week.

Use Julie to:

- Check train status
- Check schedules and fare information
- Make a simple reservation
- Give credit card information for payment of reservation

Julie can be interrupted if you already know the answer to a question she is asking before she completes the question.

You can be transferred to an agent if you want to bypass the automated system by saying "agent" or pressing zero. If you are transferred to an agent, the information Julie has collected to that point is sent along with the call so that there is no need to repeat.

If you are modifying existing reservations, booking travel to Canada or on the Auto Train, making Sleeping car reservations or trips that require more than one connection in a direction of travel, or requesting special services or accessible space, you will need to talk with a live agent.

For all your other travel needs, Julie will assist you.

TRAVELING ON AMTRAK

PURCHASING YOUR TICKET

You may purchase your Amtrak ticket with a credit card [MasterCard, Universal Air Travel Plan card (UATP), American Express, Discover and VISA] on Amtrak.com, over the phone at 1-800-USA-RAIL, at Quik-Trak kiosks and at ticket offices. Debit cards with credit card logos (except those requiring a PIN) are accepted at Quik-Trak kiosks and ticket offices, and cash is accepted at ticket offices. You will be required to show acceptable identification when purchasing your tickets. Personal checks are not accepted. If no other ticketing option is available, you may pay your fare to the conductor on the train but you will be charged the highest rail fare for that train segment, even if it has been reserved at a lower fare. Credit cards and cash are accepted.

Passenger ID Policy

Amtrak passengers are required to provide acceptable identification when purchasing tickets, whether at the station or on board the train, and while checking baggage. Valid acceptable identification includes: valid state-issued photo driver's license; state-issued photo ID for non-drivers; passport; government agency ID; and other specific forms of identification. Ask agent for details.

Amtrak, in compliance with the Federal Transportation Security Administration (TSA), has a random passenger identification verification policy on board trains. Adult passengers (18 years and older) are randomly asked to produce acceptable identification by conductors on board. The random identification checks are based on a passenger's ticket number.

Cancellations

Many tickets are refundable before travel begins; a refund service charge normally applies, or you may in most cases apply the value toward future travel without a service charge. Some discounted tickets are non-refundable once purchased. Sleeping accommodations cancelled fewer than 15 days prior to departure (but before actual departure) are non-refundable but the value may be applied toward future travel within one year. If reservations are not cancelled prior to travel, the entire fare for all segments in that trip will be forfeited entirely. Exceptions exist for late trains.

Before You Go

Verify your departure time: Before going to the station, it's a good idea to verify departure and arrival times for your train. Call 1-800-USA-RAIL or visit Amtrak.com.

AmtrakConnect® Wi-Fi, electrical outlets under the window by your seat, and either large fold-down tray tables that will fit your laptop computer, or conference tables between facing seats.

Other corridor/daytime trains

These include *Northeast Regional*, *Keystone Service*, *Empire Service*, *Amtrak Downeaster*; *Wolverine Service*, *Blue Water*, *Pere Marquette*, *Lincoln Service*, *Illini and Saluki*, *Carl Sandburg* and *Illinois Zephyr*, *Missouri River Runner*; *Hiawatha Service*, *Heartland Flyer*; *Pacific Surfliner*, *Capitol Corridor*, *San Joaquins* and *Amtrak Cascades*, as well as medium-distance day trains such as the *Pennsylvanian*, *Carolinian*, *Palmetto*, *Vermont*, *Adirondack* and *Maple Leaf*.

These services offer comfortable coach seating, plenty of legroom, overhead storage, reading lights, electrical outlets under the window by your seat, and fold-down tray tables. A Café car is provided on most trains offering a variety of food and beverages for sale. The Conductor will announce the location of the Café car or can direct you to it. Many of these services offer, in addition, a reserved Business class car, which features additional legroom, complimentary non-alcoholic beverages, and a newspaper (amenities may vary by service). See the timetable grids indicating trains that offer Business class and Café service.

Long distance trains

Amtrak long-distance trains are designed to give passengers a comfortable and pleasant travel experience both by day and overnight. Sleeping cars offer a variety of room sizes including rooms accessible to passengers with mobility impairments, and coach cars offer reclining seats, fold-down tray tables, reading lights, and electric outlets under the window. Food service is offered in Lounge cars and Dining cars (on some trains these services may be offered from the same car). There are two types of long distance trains.

Superliner: These bi-level cars operate on long-distance trains west of Chicago and New Orleans, as well as on the Washington-Chicago *Capitol Limited* and the Lorton, Virginia-Sanford, Florida *Auto Train*. Sleeping cars, Coach cars, Lounge cars, and Dining cars are featured. Most passengers ride in the upper level, affording a panoramic view of the scenery; lower level accommodations, as well as space accessible to passengers with mobility impairments, are also offered by request.

Single level/Viewliner: These cars operate on some long distance trains east of Chicago. Viewliner Sleeping cars include a window for the upper berth passenger, coach cars, Lounge cars, and Dining cars are featured.

Thruway Service

Thruway Service extends the reach of Amtrak services to many more cities than those that can be served only by train. These services, mostly by bus but occasionally by van, taxi, commuter train or ferry, make coordinated connections with Amtrak trains. In most cases the connection is at the Amtrak station, and through fares are often available. Accessible accommodation on Thruway Services can vary and must normally be reserved in advance so the proper vehicle can be provided; contact Amtrak for detail.  [Amtrak.com Thruway General Information](https://www.amtrak.com/ThruwayGeneralInformation)

Non-Thruway services

This timetable contains, as information, selected connecting services that are not part of the Amtrak or Amtrak Thruway system. These may operate from a different terminal, and the individual carrier's fares and policies apply. If Amtrak sells tickets for such services, Amtrak acts only as the selling agent for these carriers and disclaims liability in connection with services performed by these carriers. Contact Amtrak or the carrier for more information.

Flag Stop

Train stops only when passengers are present, either on the train or station platform, and ticketed to and/or from this station. Reservations are required. Boarding passengers should reserve at least 24 hours before departure.

Airport Connections

Several Amtrak stations (BWI Airport, Newark Airport, Milwaukee Airport, Burbank Airport) are near or adjacent to their respective airports, with connecting service provided by the airport. In most other cities with airports that have scheduled air carrier service, a variety of transfer options between the Amtrak station and the airport are available; contact Amtrak or the airport for more information.

Host Railroads

On most of the Amtrak route system outside of the Northeast Corridor, Amtrak trains operate over track owned by freight and commuter railroads. Amtrak personnel operate the trains, and the host railroads provide and maintain the track over which they operate. Host Railroads have been grouped by each route. (see pages 133-134)

ACCOMMODATION TYPES

Coach class

Coach class is available on all trains except *Acela Express*. Amtrak Coach cars feature wide, comfortable seats with fold-down trays, overhead storage, individual reading lights and at-seat electrical outlets. Most coach seating is reserved (by train, not by individual seat). On Superliners, a few seats are on the lower level, near the entrance and the restrooms. These are not considered accessible seats and may be reserved by anyone on a first-come, first-served basis. A few short-distance corridor services (*Capitol Corridor*, *Pacific Surfliner*, *Hiawatha Service*, and *Keystone Service* between Harrisburg and Philadelphia) have unreserved seating, where tickets are valid on any train unless restricted by the fare paid. Every effort is made to provide sufficient seats, but seating is not guaranteed. The *Keystone Service* and *Pacific Surfliner* corridors operate on a reserved basis during the Thanksgiving holiday period.

Business class

Business class on *Acela Express* trains offers reserved seating (by train, not individual seat), with extra legroom, individual reading lights, fold-down seat trays, at-seat electric outlets, and ample overhead storage. On many other corridor trains and some medium-distance day trains, reserved Business class operates in addition to Coach class and offers the same amenities as *Acela Express* Business class; in addition, a

complimentary newspaper and beverage (offerings may vary by train) are included, except on Empire Service trains that operate only between New York and Albany, and on the Maple Leaf between Niagara Falls and Toronto. Many long-distance routes have introduced Business class. 📍 [Amtrak.com](https://www.amtrak.com) **Business Class**

Acela Express First class ✪

Acela Express First class offers spacious seating with at-seat service in a quiet, elegant atmosphere. A complimentary meal appropriate to the time of day, and beverages including beer, wine by the glass and premium spirits, are included in your fare. Hot towels and internet access to select complimentary newspapers are also included. Acela Express First class passengers have same-day access to ClubAcela lounges in Washington, Philadelphia, New York and Boston.

📍 [Amtrak.com](https://www.amtrak.com) **First Class**

Accessible seating

Accessible seating is provided in Coach class, Business class and Acela Express First class for passengers who use wheelchairs or have mobility impairments that require these seats. You may reserve a seat that allows you to transfer to a seat from your wheelchair, or reserve a space for your occupied wheelchair. On Superliner trains, accessible seating is in the same area as the non-accessible lower level seats, near the restrooms; meals will be brought to you if you are unable to use the stairs to the upper level. If you have a companion who will assist you en route, this person may also occupy a seat in this area so that you may travel together. Contact Amtrak for details about accessible seating. 📍 [Amtrak.com](https://www.amtrak.com) **Seating Accommodations**

Sleeping cars 🛏

All trains: Amtrak operates Sleeping cars on most overnight long-distance trains. Sleeping cars offer private rooms with seating during the day converting to beds at night. Meals in the Dining car are included, as well as bottled water, morning wake-up service including coffee, tea or juice, and all necessary bedding. A wash basin, toilet and shower are either within your room in Viewliner accommodations and Superliner Bedrooms, or nearby for Superliner Roomettes and Family room. Sleeping car passengers have same-day access to ClubAcela, Amtrak Metropolitan Lounge, or separate Sleeping car passenger waiting rooms, where available, at boarding or detraining stations. 📍 [Amtrak.com](https://www.amtrak.com) **Sleeping Cars**

Superliner Sleeping cars: Superliner bi-level Sleeping cars operate on long distance trains west of Chicago and New Orleans, on the *Capitol Limited*, and on *Auto Train*. The upper level features five large Bedrooms with an upper bed, a wider lower bed, which becomes a sofa during the day, a wash basin, and an enclosed toilet and shower; and ten Roomettes with upper and lower beds that become two facing seats during the day (public washrooms and shower are elsewhere in the car). The lower level features four more Roomettes, a Family Bedroom with beds for both adults and children (public washrooms and shower for both are down the hall), and an Accessible Bedroom with two Roomette-type beds, a toilet, and a wash basin, and ample space for a wheelchair. See page 132 for layouts.

Viewliner Sleeping cars: Viewliner Sleeping cars operate on most eastern long-distance trains. These cars feature two large Bedrooms with an upper bed, a wider lower bed, which becomes a sofa during the day, a wash basin, and an enclosed

toilet and shower. A third Bedroom is accessible to passengers who use wheelchairs. The car also includes twelve Roomettes with upper and lower beds, each with its own window, that become two facing seats during the day, and a non-enclosed toilet and wash basin. A public shower is at the end of the car. See page 132 for layouts.

Quiet Car 🤫

Most *Northeast Corridor*, *Keystone Service*, *Hiawatha Service* and selected *Capitol Corridor* trains have a Quiet Car, where the use of cellular phones is not allowed, nor the use of devices that emit sound audible to others, and where passengers are asked to speak only in subdued tones. This car provides a quiet atmosphere for those who want to work, read or rest without distractions. Seating is first-come, first-served and cannot be reserved specifically. The train crew can direct you to the Quiet Car as you board. 📍 [Amtrak.com](https://www.amtrak.com) **Quiet Car**

There is no ticket office, and checked baggage service, assistance with baggage, and assistance to passengers with disabilities is not available. An Amtrak Quik-Trak ticketing kiosk may be available.

Quik-Trak self-serve ticketing kiosks ☞

Quik-Trak self-serve ticketing kiosks are available at many stations, including some unstaffed stations, to help you avoid long ticket lines and obtain your tickets quickly. To access the kiosk, use your credit card (MasterCard, Visa, American Express, Discover or UATP). At the kiosk, you may make and pay for a new reservation (except Sleeping car or Auto Train) from the station where the kiosk is located to any destination shown on the kiosk, and obtain your eTicket documents. If you have already made your reservation but have not yet paid, you may pay and obtain your eTicket documents at the kiosk. If you have already made and paid for your reservation, and have printed your eTickets elsewhere, you do not need to obtain them again at Quik-Trak unless you have changed your reservation since you printed them, or you need to reprint them for any reason. You also do not need to print your eTicket documents at Quik-Trak if you are able to display your eTicket on your smartphone.

In a very few cases your reservation may require paper value tickets instead of eTicket documents, such as if your reservation includes a non-eTicket Thruway service, or the Canadian portion of the *Maple Leaf* train. If so you may obtain those tickets at Quik-Trak by waving the bar code on your confirmation page at the bar code reader located just below the keypad, by inserting your credit card (if your paper value ticket reservation was already paid with the card you inserted, it will automatically display).

When you make your reservation on [Amtrak.com](https://www.amtrak.com) or through a contact center agent, you will be told if a Quik-Trak kiosk is available at your boarding station. If you need to use the kiosk please arrive at the station at least 30 minutes before departure. ☞ [Amtrak.com](https://www.amtrak.com) Quik-Trak

Metrolink ticket vending machines

Metrolink ticket vending machines are available at Metrolink and many Amtrak stations in southern California. You may

obtain tickets for prepaid reservations to any station. You may also pay for and obtain tickets for reservations not already paid, or make and pay for a new Coach reservation, to any Amtrak station within the state of California. Discount and promotional fares require advance reservations. You may also obtain Metrolink commuter train tickets. Metrolink ticket vending machines accept cash and credit cards. You will be notified at [Amtrak.com](https://www.amtrak.com) or by a call center agent if a Metrolink ticket vending machine is available at your boarding station.

Passenger assistance

If you need assistance with baggage, with moving through the station using a station-provided wheelchair or people mover, etc., please let us know as far in advance as possible. This service is available at most staffed stations. At major stations, uniformed Red Caps are available to help you. All baggage handled by Red Caps is protected by a claim check. Please do not accept assistance from anyone other than a uniformed Amtrak or VIA Rail Canada employee. A number of other stations have self-service baggage carts available for a nominal charge. Please arrive at your departure station at least 45 minutes before departure if you require assistance. Allow an hour at major stations such as New York, Washington, Chicago, and Los Angeles. ☞ [Amtrak.com](https://www.amtrak.com) Baggage

Babies and toddlers

Long-distance trains operated with Superliner equipment have changing tables in the restrooms for your convenience. We are unable to store baby formula in our refrigerators or warm a baby bottle using our equipment, but bring your container and upon request we can supply you with ice or hot water. Mothers who breast feed their infants are always welcome.

Station accessibility

Station accessibility is shown by the following symbols in the individual schedules within this timetable.

PLANNING YOUR JOURNEY

Amtrak.com

Amtrak.com is your complete full service rail travel site on the Internet, providing you with everything you need to explore your travel options, plan your trip, pay for your tickets, and arrange for hotel rooms, rental cars and more. You can reserve coach travel, upgrade to *Acela Express*, Business class or Sleeping car, and take a three-dimensional virtual tour of our Sleeping car accommodations. Amtrak.com also features a complete Spanish-language version at espanol.amtrak.com, a complete German-language version at deutsch.amtrak.com and a complete French-language version at francais.amtrak.com. You can connect to the mobile website at m.amtrak.com.

Fares

Amtrak offers a variety of fares. On reserved trains, a range of fares may apply based on passenger demand for a particular train. On unreserved trains, fares may be higher during peak travel periods. Amtrak will quote and price your travel at the lowest fare available at the time you make your reservation. Go to Amtrak.com to view the various fare options grouped by common refund rules and restrictions. Changes to your itinerary will cause your reservation to reprice at the lowest fare available at the time you make the change, which may be higher than the fare initially obtained. Some fares may require advance reservation and/or purchase, and be non-refundable. Please make payment before you board the train: at a ticket office, over the phone with a contact center agent using your credit card, at Amtrak.com, or by using the Amtrak app for iPhone or Android. You will be charged the highest fare for your journey if you pay the conductor on the train, even if your reservation was for a lower fare, and even if there is no ticket office at your boarding location.

Reservations

Reservations are required for all *Acela Express*, Sleeping car, accessible accommodation, Business class, and most coach travel. Reservations are also required for all passengers requiring assistance, including unaccompanied minors, even if the train is otherwise unreserved. *Acela Express*, Business class and coach bookings reserve space on the train but not any particular seat. If not paid immediately, a date will be given, no more than seven days after booking, for paying your

reservation; if it is not paid by that date, it will automatically cancel early the next morning.

You may also make and pay for a reservation for another person. Contact Amtrak for details.

You may obtain fare and schedule information, and make your reservation, in a number of ways.

- **Amtrak.com:** make your reservation on the Amtrak full service rail travel site, using your personal computer or your web-enabled smartphone or tablet device. Payment by credit card is required at the time of booking.
- **Julie (🗣️):** the Amtrak interactive automated customer agent, available by calling 1-800-USA-RAIL, can give you 24-hour fare and schedule information, provide the operating status of a train, and make simple reservations. She can also accept payment by credit card. If you know the answer to a question she is asking before she finishes it, you can interrupt her with the answer, and if you need assistance from a live agent such as modifying a reservation, reserving Sleeping car space, traveling on *Auto Train* or requesting special assistance on the train or at the station, you can bypass Julie by saying "agent" or pressing zero.
- **Contact Center agents:** available by calling 1-800-USA-RAIL, are also available 24 hours a day. They can make any kind of reservation, accept payment by credit card, give you complete information about services, amenities and features, assist you with any special needs, and refer you to our partners for hotel and rental car reservations. A fee may apply to bookings made through a contact center agent, if the booking could have been made through a self-service channel (Amtrak.com, Julie, or Quik-Trak).
- **Quik-Trak self-serve ticketing kiosks** can make *Acela Express*, Coach, or Business class reservations from the station where the kiosk is located to any destination shown on the kiosk.
- **Ticket agents at stations** can make reservations; if your itinerary is lengthy or in the future, you should use Amtrak.com or contact us at 1-800-USA-RAIL to make your booking. This will greatly shorten your time at the ticket window.

When making your reservation, please include a telephone number where you can be reached both before and during your journey, in the event we need to notify you of any service changes. A cell phone number is the best way to reach you, especially if you have started travel.

eTicketing

All Amtrak trains and many Amtrak Thruway services are eTicket available. If all of the trains and buses in your reservation are eTicket eligible, you will not receive paper value tickets (individual tickets with a dollar value), but instead will use an eTicket containing a bar code that can be scanned on the train by the conductor. One eTicket will cover all travel segments within the reservation. When you book on Amtrak.com or by calling 1-800-USA-RAIL, and provide an email address, the eTicket is sent to you as an attachment to the confirmation email. You can print that eTicket on a home, work or other printer, or you can obtain it from a ticket agent or a Quik-Trak kiosk, if either is available at your boarding station. The eTicket can also be displayed on your smartphone

TRAVELING ON AMTRAK

or tablet, either as an attachment to an email message, or through the Amtrak iPhone or Android phone app. On the iPhone, you can also display your eTicket using the Passbook app. The eTicket document is not available by mail.

For reserved services, your eTicket is only valid on the train and date and between the cities for which it was reserved. If you board a train other than that which is on your eTicket, you will be asked to call Amtrak at 1-800-USA-RAIL and change your reservation to the train you are riding (and pay any difference in fare), or pay the full fare to the conductor. You may not use your eTicket on any train other than that for which it is reserved unless you change your reservation. For unreserved coach service, your eTicket will be honored on any train for which the fare paid is valid, between the cities ticketed.

Passengers using eTickets do not have to worry about how to obtain paper value tickets when boarding at unstaffed stations, even if a booking is made at the last minute, nor will they have to worry about losing tickets. The eTicket has no intrinsic value, so if it is lost or misplaced, simply print another; it will only be honored once, and only on the train for which it was issued.

If a change has to be made to an eTicketed reservation, contact Amtrak at 1-800-USA-RAIL, or, in some cases, make the change on Amtrak.com, before the original train you booked has departed. The reservation will be changed and any fare difference collected or refunded (subject to rules that apply to the fare paid). You are then good to ride on the new train. We recommend that a new eTicket be printed before boarding, and in some cases a station agent will want to inspect the eTicket to make sure you are boarding the correct train, but the conductor on the new train will know you are coming.

If you fail to board a train you have reserved, your entire reservation will cancel, including all future segments, once that train has departed your boarding station, and the amount paid for the trip will be forfeited.

The monetary value of the reservation, less any amounts imposed for failure to cancel, will be converted into an eVoucher which may be applied at a station toward future travel. In some cases, part or all of the amount may be refundable through *Amtrak Refunds* (not at a station), depending on the rules that apply to the fare paid. Contact Amtrak at 1-800-USA-RAIL and ask for the *Amtrak Refunds*. The eTicket you printed will not be valid on any other train and you will need to contact Amtrak to make and pay for a new reservation.

eTickets are clearly marked as such, and you may board the train with them except Auto Train (see below). If your printed document does not indicate that it is an eTicket, it is only a confirmation document, obtained after booking on Amtrak.com or in an email. You need to obtain paper value tickets first, before boarding the train. These are available from the ticket office, a Quik-Trak kiosk, or in some cases by mail or from the conductor on the train. Amtrak.com or a call center agent will tell you what your options are for obtaining paper value tickets.

Auto Train is also using a version of eTicketing where paper value tickets are not required but passengers check in at the ticket counter, rather than on the train.

If one or more segments in your itinerary are not eTicket eligible, you will receive paper value tickets for your entire

itinerary, including for trains or Thruway services that would otherwise be eTicket eligible.

Connections

Amtrak offers connections between many trains, and between trains and Thruway services. These connections are valid if they are shown in the Amtrak reservation system. Some are also displayed in this timetable. Connections not shown in the reservation system or in this timetable are normally not valid, including connections between Amtrak and any other carrier; if you intend to attempt such a connection, you are responsible for all expenses if the connection is missed. If a valid connection is missed due to a late arriving train or other reason beyond your control, Amtrak will protect you by providing alternate transportation on another Amtrak train or on the services of another carrier, or by providing lodging or other services until you can resume travel. In some cases this may be done by transferring you at a station other than the normal connection point. Contact Amtrak for more information about connections.

DUPLICATE AND IMPOSSIBLE BOOKINGS

Duplicate and impossible Amtrak bookings are prohibited. Duplicate bookings include, but are not limited to, reservations on multiple trains by the same passenger on the same day between the same or similar cities on one or more itineraries, such as booking the 4:00 p.m., 5:00 p.m. and 6:00 p.m. Acela Express trains between New York and Philadelphia. Impossible bookings are reservations on trains for which it is impossible for the passenger to travel on both or all, such as a bedroom Seattle-Chicago on two consecutive days, or two separate reservation records between which a connection is not possible. Amtrak reserves the right to analyze its reservation system to find such bookings and will attempt to contact the passenger in advance to determine which one will be used; if unable to contact the passenger, Amtrak will retain the last reservation booked and cancel the others, whether or not paid for. Refunds for such cancellations will be determined by the refund rules that apply to the fare paid.

OBTAINING YOUR PAPER VALUE TICKETS

If eTicketing is not yet enabled for the train or other service you are using, you need to obtain paper value tickets before the train leaves the station from which you booked your first departure. If this is not done, the entire reservation will cancel once that train has departed, even if the reservation has been paid.

There are several ways to obtain paper value tickets, and these will be described on your confirmation display or by the contact center agent. The confirmation display, which may be printed from your computer or from an email attachment that will be sent to you if you provide an email address, is not a "boarding pass" or eTicket, and will not be honored on trains. Unless you have a document clearly identified as an "eTicket", you must obtain paper value tickets before boarding the train or, for Auto Train, you must check in at the ticket counter before boarding. If this is not done the conductor will collect a fare for your journey, even if you have already paid, and the reservation will cancel.

If you have paid for your reservation, you may cancel it and obtain a refund online (if you booked at Amtrak.com) or by calling 1-800-USA-RAIL. If paper value tickets have been

TRAVELING ON AMTRAK

printed, those tickets must be returned to Amtrak to obtain a refund. The refundability of the reservation or tickets is governed by the rules applying to the fare paid.

Quik-Trak self serve ticketing kiosks: Many stations have Quik-Trak kiosks. Print the confirmation page that will be displayed to you when your booking is completed, and you can take that page to any Quik-Trak kiosk, scan it, and immediately obtain your tickets. You can also obtain your tickets by entering your reservation number.

Station ticket offices: Many stations have ticket agents on duty who can issue your tickets, whether or not they have been previously paid.

Travel agents: Many travel agents make Amtrak reservations and issue tickets. Some may charge a fee for this service.

On the train: If your boarding station does not have ticketing services available, you may pay the conductor on the train, but you will be charged the highest rail fare for that train segment, even if a lower fare is in the reservation. That higher fare may not be credited toward the rest of the reservation when you pay for and pick up those tickets at the connecting staffed station; you will pay separately for those tickets. Cash and credit cards are accepted, and a receipt is issued for all fares paid on trains.

Upgrades to Business class, Acela Express First class, or Sleeping car service may be purchased on the train if unsold space is still available. Contact the conductor.

Thruway service: Certain Thruway services require a paper value ticket to give to the bus driver when boarding. If your journey starts on one of these services, there is no Amtrak ticket office where you are boarding, and there is not enough time to mail your tickets to you, you will need to make separate arrangements with the bus company for booking and ticketing the bus portion of your travel. Amtrak will reserve the rest of your itinerary.

FORMS OF PAYMENT ACCEPTED BY AMTRAK

Cash: Amtrak accepts US paper money and coin at all stations and on trains for payment of fares and food and beverage services. Canadian paper money (no Canadian coins) is accepted on trains that serve Canada directly, and at stations served by those trains. Canadian coins are only accepted on the *Maple Leaf* between Toronto and Niagara Falls, Ontario, as this is actually a VIA Rail Canada train between those points.

Credit cards: Amtrak accepts MasterCard, Visa, American Express and Discover at all Amtrak ticket offices in the United States and Canada, at Quik-Trak kiosks, at Amtrak.com, by telephone at 1-800-USA-RAIL, and on trains for food and beverage service only (except on *Capitol Corridor* trains where fares may also be paid on trains). The UATP (Universal Air Travel Plan) is accepted at all ticket offices in the United States only, at Quik-Trak kiosks, at Amtrak.com, and by telephone at 1-800-USA-RAIL, but not on trains. Amtrak requires that credit cards be signed and that the signature on the ticket matches the signature on the card.

Debit cards with a credit card logo ("check cards"): These are accepted in the same manner as credit cards. Debit cards requiring a PIN are not accepted.

Gift cards and other prepaid cards with a credit card logo: These are accepted only when the transaction can be

electronically validated: at station ticket offices, at Quik-Trak kiosks, at Amtrak.com, by phone at 1-800-USA-RAIL, and on trains for payment of fares and food purchases when the conductor or food services attendant has an operating credit card validation device. Refunds are made back to the gift card, so be sure not to dispose of it once you have used up its value until you are certain that you will not return anything that you have paid with it.

Travelers cheques, money orders, and cashier's checks:

Amtrak does not accept travelers cheques or money orders. Amtrak accepts cashier's checks issued by local banks by prior arrangement for payment of group reservations only. The cashier's check must be payable to Amtrak, and the maximum amount of change given is \$20.00. Refunds are not given at stations but will be mailed by the Philadelphia refunds office.

Personal checks: Amtrak does not accept personal checks, except by prior arrangement for group travel. Contact the Amtrak Group Department for details.

Company and government checks: Amtrak accepts U.S. dollar checks from known companies and from government agencies. You must show both personal identification and identification proving that you are an employee of the company or government agency.

REFUNDS

Basic Policy: The refund policy applies as soon as payment is made, whether or not any ticket is printed, and applies to both rail fare and any accommodation charge. The Amtrak refund policy is subject to change at any time. Refundability and fees are based on how long before departure a reservation is cancelled and the type of fare and accommodations that were booked. Application of this policy also depends upon if you wish to receive a refund or put any remaining value on an eVoucher for future travel. No refund or exchange credit is given if a passenger does not cancel a reservation before train departure, and fails to board that train. Please visit

📍 [Amtrak.com Refunds](#) for complete details about Amtrak's refund policy.

BAGGAGE

Due to limited available space on trains, baggage restrictions are strictly enforced. For passengers' safety and security, Amtrak reserves the right to deny transport or charge fees for items exceeding policy limitations. Amtrak has policies for both carry-on and checked baggage. There are maximum accepted sizes for each, as well as exceptions for personal items, medical devices and baby items. Please visit 📍 [Amtrak.com Baggage](#) for information about acceptable special items and prohibited items as well as complete policies applying to both carry-on and checked baggage.

Amtrak Express

Amtrak offers small package shipping services to more than 100 cities. Please visit 📍 [Amtrak.com Express Shipping](#) for complete information about shipping your small packages as well as heavy and commercial shipping

For information about rates, transit times and acceptable items, call the Amtrak Express desk at 1-800-377-6914, Mondays through Fridays, 8:30 a.m. - 8:00 p.m. Eastern time.

SECURITY

Security measures

Amtrak uses a range of behind-the-scenes and front-line security measures to improve passenger rail security, some of which are conducted on an unpredictable or random basis. These include uniformed police officers and K-9 units in stations and on trains, Mobile Security Teams, checked baggage screening, on board screening, security cameras and deployment of state-of-the-art security technology.

Randomly selected passenger baggage, handbags, backpacks and other personal items may be screened or inspected. The inspection will be completed as quickly as possible – usually in less than a minute – in a manner designed to respect passengers' privacy as much as possible. Passengers who decline to consent to security procedures will be denied access to trains and refused carriage, and a refund will be offered.

In compliance with Transportation Security Administration directives, passengers 18 and over may be randomly asked by conductors to produce acceptable identification, even if they have previously done so when purchasing tickets. The random identification checks are based on a passenger's ticket number.

For your safety and security, be aware of your surroundings. Keep your personal items secure and in close proximity, and do not approach police dogs. Report any suspicious activity or unattended items to a train or station employee, to an Amtrak Police officer, or by calling the Amtrak Police at 1-800-331-0008.

Identification

Passengers 16 years of age or older must present acceptable identification when purchasing tickets, checking baggage, sending Amtrak Express shipments, and on board trains when paying fares or if otherwise requested.

Acceptable identification includes a driver's license, passport, government agency ID card, and other specific forms of identification. All identification must be current and valid. Contact Amtrak for specific details, including requirements for passengers 16-17 years old who do not have their own identification.

Photography and video recording

Photography and video recording by the general public from publicly accessible property and public areas of stations is allowed. Commercial and special photography requires explicit authorization from Amtrak. Ticketed passengers may photograph on station platforms while boarding or alighting from trains. Other photography from Amtrak-owned station platforms requires permission from a station manager or designee. Generally, on board photography is permitted by ticketed passengers but must not interfere with train operations or safety and is subject to directions from the train crew. Suspicious activity can result in inquiries by Amtrak Police or other security personnel. Photography is prohibited in areas restricted to the public by signage, physical barrier, etc. The above language is excerpted from the Amtrak Guidelines on Photography and Video Recording. Complete guidelines can be found on Amtrak.com  [Amtrak.com Photo Policy](#) or by calling 1-800-USA-RAIL.

Animals

Trained service animals that assist passengers with disabilities are the only animals permitted on all Amtrak trains, and must be kept under your control at all times. You are responsible for the care and feeding of your animal during the journey. Amtrak does not accept so-called "comfort animals" and if there is doubt, you may be asked to identify what service the animal is trained to provide for you.

Many trains welcome small cats or dogs in pet carriers upon payment of a fee. Reservations are required and other limitations apply. Please visit  [Amtrak.com Pets](#) for complete information.

Boarding times

It is strongly recommended that you arrive at your boarding station at least 30 minutes before departure. Arrive at least 45 minutes before departure (one hour at major stations such as New York, Washington, Chicago and Los Angeles) if you need ticketing, baggage or passenger assistance services from a station employee. You should confirm boarding times the day before travel in case there has been a schedule or service change for which we were unable to notify you. At some stations it may be necessary to stop ticketing or close the gates as much as ten minutes before departure so that you can board your train safely, or because the agent has to take baggage or passengers to the train. If a train is running late, we will attempt to make up some of the delay by shortening the time the train is in the station to less than that which is shown in the timetable.

Auto Train boarding

Plan your driving to arrive at the *Auto Train* Terminal as early as possible. Auto Train begins accepting vehicles each day at 11:30 a.m. Motorcycles must arrive by 2:00 p.m.; we recommend that all other vehicles arrive by 2:00 p.m.; Priority Offload Vehicles must arrive by 2:30 p.m.; no vehicle will be accepted after 2:30 p.m. Those arriving after the 2:30 p.m. cutoff will need to rebook travel for another day, based on availability. Please visit  [Amtrak.com Auto Train](#) for more details.

Canadian cross-border travel

Documentation required: If you are crossing the border by land or sea, including on Amtrak trains and Thruway services, you must have one secure Western Hemisphere Travel Initiative-compliant document that proves both citizenship and identity.

TRAVELING ON AMTRAK

This information must be provided to Amtrak upon reserving travel to or from Canada. Please visit [Amtrak.com Crossing the Border](https://www.amtrak.com/crossing-the-border) for more complete details about requirements.

For further information and to determine what is required for your particular situation (including permanent residents and others not mentioned above), contact the appropriate US or Canadian government agencies prior to travel.

Canadian train travel (VIA Rail)

Amtrak operates service to Vancouver, BC, Toronto, ON and Montreal, QC, from which VIA Rail Canada operates trains throughout Canada. For more information, call VIA Rail Canada at 1-888-VIA-RAIL, or visit www.viarail.ca.

Fall and spring time changes

Amtrak operates according to prevailing local time, either standard time or daylight saving time. At the spring time change (second Sunday in March), Amtrak trains traveling overnight will become one hour late and will attempt to make up the time. At the fall time change (first Sunday in November), Amtrak trains traveling overnight will normally hold at the next station after the time change then depart on time. Arizona does not observe daylight saving time. Please observe footnotes in schedules for trains serving Arizona to determine your departure or arrival time.

Gift certificates

Gift certificates valid for Amtrak travel are available in amounts of \$50.00, \$100.00, \$250.00, \$500.00 or \$1,000.00 from Amtrak ticket offices, by phoning 1-800-USA-RAIL, or through [Amtrak.com](https://www.amtrak.com). You may purchase gift certificates in other amounts, up to \$5,000.00, by going to an Amtrak ticket office or phoning 1-800-USA-RAIL. Please visit [Amtrak.com Merchandise](https://www.amtrak.com/merchandise) for more information.

Lost, stolen or destroyed tickets

If you have paper value tickets (and not eTicket documents), your tickets have value. Please safeguard them as you would cash. Amtrak disclaims liability for lost, stolen, destroyed tickets. In order to travel, you will have to repurchase the tickets. In some cases a lost ticket refund application can be filed; the waiting period is five to six months, and a \$75.00 service charge will be deducted from any amount refunded. No refund will be made if the ticket has been used or honored in any way. Please visit [Amtrak.com About Tickets](https://www.amtrak.com/about-tickets) for more information.

Overnight travel

All necessary bedding is provided to Sleeping car passengers. Coach passengers on all services, including Auto Train, may wish to bring their own pillow and blanket for additional comfort. Passenger Comfort Kits that include an inflatable neck pillow, blanket, eyeshade and ear plugs may be available for purchase in the Lounge car.

Personal electronic devices

To maintain a pleasant environment for all passengers, Amtrak requires that any personal electronic device (DVD players, laptop computers, handheld game systems, MP3 players and other devices that play video and audio entertainment) not make any sound through speakers or earphones that is audible

to others. Please also adjust cellular or smart phones to silent or vibrate setting. In the evening and at night, please make your cellular phone calls from the Lounge car, not the coaches. Many trains, including Acela Express, most Northeast Regional, Keystone Service and Hiawatha Service trains, have a Quiet Car, in which loud conversations, the use of cellular phones, and the use of other sound-emitting devices are prohibited.

Personal food and alcohol

You may only consume personal alcohol within your Sleeping car room for which you hold a valid ticket. In all other areas of the train you may only consume alcohol that has been purchased from Amtrak. Amtrak reserves the right to limit or discontinue sales of alcohol to any passenger and will not sell alcohol to anyone under 21 (proof of age may be required).

You may consume personal food and beverages at your seat or within your Sleeping car room. Personal food and beverages may not be consumed in food service cars, except on the upper level of Superliner Sightseer Lounge cars, or in *Acela Express* or *Northeast Regional* Café cars. In all other food service cars only food purchased from Amtrak may be consumed.

Amtrak is unable to heat, refrigerate or store any personal food item or medicine due to FDA regulations. We can supply ice for your small personal container if you need to keep medicine cool. Do not put your medicine in checked baggage or leave it in your vehicle on *Auto Train* as you do not have access to it while en route.

For more information, visit [Amtrak.com Personal Items](https://www.amtrak.com/personal-items)

Smoking

Amtrak supports a smoke free environment and does not allow the use of tobacco products, electronic smoking devices or marijuana (including possession even in states where recreational use is legal or permitted medically) onboard trains and inside stations, offices or other designated Amtrak facilities.

Smoking is prohibited in all areas on all Amtrak trains, on all Thruway services, and in all stations. At longer stops on long distance trains, smoking is allowed on station platforms; remain near the train to hear the boarding calls so you are not left behind. These stops may be shortened or eliminated entirely if the train is running late. State or local laws may prohibit platform smoking or require you to remain a certain distance away from train entrances. [Amtrak.com Smoking](https://www.amtrak.com/smoking)

Unaccompanied minors

A child under 13 years old may only travel with another passenger 18 years old or more, who has responsibility for him or her.

A child 13 through 15 years old, not accompanied by another passenger 18 years old or more, may travel unaccompanied under certain conditions. Please visit [Amtrak.com Unaccompanied Minors](https://www.amtrak.com/unaccompanied-minors) for complete details and procedures for Unaccompanied minors on Amtrak.

PLANNING TIPS FOR TRAVEL ON AMTRAK

1. Arrive at your departure station at least 30 minutes before your train departs. If you need services such as ticketing, baggage or passenger assistance, arrive at least 45 minutes before departure time. Make sure all your luggage is properly labeled with your name and address, and bring acceptable identification.
2. Pack wisely. Carry-on luggage is limited to two bags per person. You may check additional baggage through to your destination on many trains.
3. Keep track of your belongings. Store carry-on items in overhead luggage compartments, and be sure to collect all of your belongings before you leave the train. Report any suspicious people, packages or activity to a train conductor, station personnel or the Amtrak Police Department at 1-800-331-0008.
4. For planning your trip or to request train-specific timetables or an extra timetable for a friend, call 1-800-USA-RAIL, download what you need online at Amtrak.com or order online.
5. If you are planning to spend more than an hour on board, bring your favorite bestseller and sit back, relax and enjoy every word in comfort. Bring your laptop and create the short story you've always wanted to write.
6. Traveling with children can be fun for everyone. To keep them busy, we suggest bringing books, toys, games, crayons or markers and paper and perhaps a CD or DVD player with headphones and their favorite music or videos. To maintain a pleasant atmosphere for all passengers, headphones must be used when listening to any device that emits a sound such as computers, smartphones, MP3 players, DVD players, etc. Such devices or headphones may not emit any sound audible to others.
7. The main focus of Amtrak is to ensure our passengers have a safe travel experience. Please watch your step boarding and leaving the train. Use the handrails when moving about on board and wear shoes at all times when walking about the train. Take a few minutes to read the Amtrak Safety Instruction card for important information. Never try to board or exit the train while it is moving.
8. Amtrak service attendants are there to assist you throughout your trip to make your trip more enjoyable. Tipping is certainly not required, but it is a much-appreciated way to let employees know they have made your trip enjoyable.
9. Look for scenic photo opportunities. Our trains pass many beautiful and interesting sights, so bring your camera. If you use film, we recommend medium speed (ISO 200 or higher).
10. Train travel gives you plenty of room to move around, stretch your legs and chat with fellow travelers. Hungry for a snack? Visit the Café car, which offers a variety of sandwiches, snacks, and beverages. On long-distance trains, enjoy the Dining car — a family-style restaurant serving freshly prepared foods. You'll most likely be sitting with other travelers who are also enjoying their trip.

SLEEPING CAR ACCOMMODATIONS

Sleeping car passengers have same-day access to ClubAcela, Amtrak Metropolitan Lounge, or separate Sleeping car passenger waiting rooms, where available, at boarding or detraining stations.
