is the way to see more of California

San Joaquin

Amtrak California's San Joaquin travels through the heart of California's central valley, connecting the San Francisco Bay Area and Sacramento, south to Bakersfield. This scenic route traverses the state's top agricultural region, often called "The Nation's Salad Bowl" for the diversity of fruits and vegetables grown in its fertile soils. Enjoy the picturesque view along San Joaquin's miles of vineyards, fruit and nut orchards, as the eastern boundary joins the Sierra Nevada foothills featuring Yosemite, Kings Canyon, and Sequoia national parks.

In addition to multiple train station stops, see the best California has to offer from more than a dozen seamless San Joaquin Thruway bus connections.
